GRANT H. FLINT INTERNATIONAL
SCHOLARSHIP AWARDS PROGRAM

SWANA®

SOLID WASTE ASSOCIATION
of North America

CATEGORY II –
College/University
Juniors & Seniors Studying a Field
Related to Solid Waste Management

Dear College or University Junior or Senior:

Hello and thank you for your interest in SWANA's **Grant H. Flint Scholarship Awards Program**.

SWANA is a professional association of more than 10,000 members who work in solid waste management. That industry is far advanced from the old stereotypes of "garbage men." Our membership is diverse, and we encourage you to consider how your selected area of study might lead you into our professional ranks. Will you be an engineer, scientist, agency or business manager, sales professional, safety specialist, expert in communications, marketing or policy? Do you want to work as a front-line collector, equipment operator or maintenance specialist? They all help fulfill the critical function of managing solid waste as a resource and SWANA has a place for you.

To be eligible to apply for SWANA's Category II Scholarship, worth \$5,000 US, you must be:

- Enrolled full-time in college or university for the period of time the scholarship will be used
- Entering your junior or senior year of undergraduate studies
- Pursuing a degree in environmental science, environmental studies, engineering or a major applicable to the field of solid waste or resource management.
- A SWANA Student Member. This is free to full-time students and you can join by visiting www.swana.org.

Applications are due to your Chapter Scholarship Committee Chair by May 1, 2020. Chapters may award their own scholarships and are also responsible for sending a single chapter nomination for the \$5,000 US Category II (College/University Junior or Senior) Scholarship to SWANA by June 1, 2020. SWANA's awards will be announced during summer 2020.

Contact information for Chapter Scholarship Committee Chairs can be found at <https://swana.org/Awards/ScholarshipsInternships.aspx>. You will also find a link to many of the Chapter websites and information about their local scholarship programs.

Members living outside the United States, its territories or Canada should complete the application and send it directly to Sara Bixby in her role as SWANA's Staff Scholarship Administrator by May 1, 2020.

For more information, check with your Chapter Scholarship Chair or Sara Bixby at sbixby@swana.org.

We look forward to receiving your application. Best of luck as you continue your education.

Sincerely,

Mike Stringer
Chair, SWANA Scholarship Committee

III. CRITERIA:

The Scholarship Committee evaluates the Grant H. Flint Category II Scholarship applications as follows:

A. Academics = 30%

SWANA's Scholarship Committee considers past academic performance an important selection criterion. Your application must provide enough information to allow the Scholarship Committee to evaluate your academic performance.

- **REQUIRED:** Provide a transcript of your college/university transcripts up to the conclusion of the most recent period (quarter, trimester, semester).

An official, unofficial or PDF copy of your transcript is required to be attached to the application you provide to the Chapter or SWANA. The transcript must provide marks for all courses and a measure of your academic performance when measured on the school's standardized scoring system. Identify the scale used (e.g., 4.0 on a 4.0 scale). An example of one possible measure satisfying this request for U.S. based students is grade point average (GPA). SWANA acknowledges that not all schools use this measure and will accept other measures **documented by the transcript**.

- **OPTIONAL:** Attach documentation of any other college/university-level **academic performance, awards, or recognition** and/or letters of recommendation related to academic performance you believe the Scholarship Committee should consider.

B. Relationship of Studies to Solid Waste Management = 50%

The Committee will consider your current and completed courses, advisor/professor input, and your completed essay in its evaluations.

- **REQUIRED:** Complete and sign the form that asks for additional information about coursework related to solid waste management and/or a potential career in the industry.
- **REQUIRED:** Please have your faculty advisory or a key professor in your studies related to solid waste management provide a one-page letter that discusses your academic performance.
- **REQUIRED:** Write a one-page, original essay about the topic identified in Question 4. SWANA considers essays as potential blog posts in its social media, regardless of selection for a Grant H. Flint Scholarship.

C. Other Activities = 20%

Other Activities are activities and programs that can be connected with your studies (research, internships, assistantships), associated with school (participation student organizations), or entirely unrelated (volunteer activities, military service, employment).

- **REQUIRED:** Complete and sign the forms that ask for information about your Other Activities.
- **OPTIONAL:** Attach a current copy of your resume.

Describe what you did and how often you participated. Attach documentation and/or letters of recommendation to help the Scholarship Committee appropriately score this part of your application.

D. Financial Need – not weighted

OPTIONAL: Although it is not a weighted factor, the Scholarship Committee can take financial need into consideration. Some chapters may also consider financial need in their review of applications. Please do not attach forms that contain confidential personal information.

E. Disqualification

Applying is not a guarantee of funding. The Scholarship Committee may disqualify an application for any of the following reasons.

- Applicant fails to meet the May 1 deadline for submitting the application to the Chapter or Staff Scholarship Administrator
- Chapter fails to provide its recommendations to SWANA by the June 1 deadline
- Applicant will not be enrolled in classes in the coming semester
- Applicant does not provide all REQUIRED supporting documentation
- Application contains an essay or substantial parts of an essay written by another person
- Application is not legible
- Application is not signed by the applicant where indicated

IV. QUESTIONS:

We realize there may be questions that aren't answered by this overview. Please direct your questions to your **Chapter's Scholarship Chairperson**, who can be found at <https://swana.org/Awards/ScholarshipsInternships.aspx> or for at-large applicants, to **SWANA's Staff Scholarship Administrator**, Sara Bixby, at sbixby@swana.org.
